

SINGLE SECURE TACTICAL FIELD DESK

SKYDYNE

Features & Benefits

Introducing the Single Secure Tactical Field Desk: Your ultimate on-the-move workstation solution for maximum deployability! Easily transform this portable case into a dual monitor setup in just minutes. Carry it like a briefcase or roll it like a suitcase, thanks to its versatile design with a spring-loaded handle and wheels. Each desk comes equipped with two 24" monitors*, a USB docking station*, display cables, and an integrated power strip for seamless functionality.

Construction

Constructed with a focus on strength and lightweight portability, the Single Tactical Field Desk features formed and welded aluminum bodies, reinforced with extruded aluminum frames. The desk legs are a combination of extruded and formed aluminum with steel reinforcement, ensuring durability.

Dimensions

With dimensions stowed 10"W x 17.5"D x 30"H and deployed 40-50"W x 20"D x 50"H with a weight of only 53.5 lbs., this desk is your go-to companion for efficient productivity wherever you go.

Stowed
10"W x 17.5"D x 30"H

Deployed
40-50"W x 20"D x 50"H

* - Monitors and docking station are on the Chess approved products list
